“Wages” is defined as the amount of money the employee would have otherwise received over a period of absence.

a) Sick Leave Benefit Plan

The Board will provide a Sick Leave Benefit Plan which will provide sick leave days and short term disability coverage to provide protection against loss of income when ill or injured as defined below. An employee, other than a casual employee as defined above, is eligible for benefits under this article.

Sick leave days may be used for reasons of personal illness, personal injury, personal medical appointments, or personal dental emergencies only.

Employees receiving benefits under the *Workplace Safety and Insurance Act*, or under a LTD plan, are not entitled to benefits under a school board’s sick leave and short term disability plan for the same condition.

b) Sick Leave Days Payable at 100% Wages

Permanent Employees

Subject to paragraphs d), e) and f) below, Employees will be allocated eleven (11) sick days at one hundred percent (100%) of wages on the first day of each fiscal year, or the first day of employment.

Employees on Long Term Supply Assignments

Subject to paragraph d) below, Employees completing a full-year long term supply assignment shall be allocated eleven (11) sick days payable at one hundred percent (100%) of wages at the start of the assignment. An employee completing a long term supply assignment that is less than a full-year will be allocated eleven (11) sick days payable at one hundred percent (100%) reduced to reflect the proportion the long term supply assignment bears to the length of the regular work year for the position.

c) Short-Term Disability Coverage – Days Payable at 90% Wages

Permanent Employees

Subject to paragraphs d), e) and f) below, permanent Employees will be allocated one hundred and twenty (120) short-term disability days at the start of each fiscal year or the first day of employment. Permanent Employees eligible to access short-term disability coverage shall receive payment equivalent to ninety percent (90%) of regular wages.

Employees on Long Term Supply Assignments

Subject to paragraph d) below, Employees completing a full-year long term supply assignment shall be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of wages at the start of the assignment. An employee completing a long term supply assignment that is less than a full-year will be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of wages reduced to reflect the proportion the long term supply assignment bears to the length of the regular work year for the position.

d) Eligibility and Allocation

A sick leave day/short term disability leave day will be allocated and paid in accordance with current Local practice

Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

Permanent Employees

The allocations outlined in paragraphs b) and c) above will be provided on the first day of each fiscal year, or the first day of employment, subject to the exceptions below:

Where a permanent Employee is accessing sick leave and/or the short-term disability plan in a fiscal year and the absence continues into the following fiscal year for the same medical condition, the permanent Employee will continue to access any unused sick leave days or short-term disability days from the previous fiscal year's allocation.

A new allocation will not be provided to the permanent Employee until s/he has returned to work and completed eleven (11) consecutive working days at their regular working hours. The permanent Employee's new sick leave allocation will be eleven (11) days at 100%-wages. The permanent Employee will also be allocated one hundred and twenty (120) short term disability days payable at ninety percent (90%) of regular salary reduced by any paid sick days already taken in the current fiscal year.

If a permanent Employee is absent on his/her last regularly scheduled work day and the first regularly scheduled work day of the following year for unrelated reasons, the allocation outlined above will be provided on the first day of the fiscal year, provided the employee submits medical documentation to support the absence, in accordance with paragraph (h).

Employees on Long Term Supply Assignments

Employees completing long term supply assignments may only access sick leave and short term disability leave in the fiscal year in which the allocation was provided. Any remaining allocation may be used in subsequent long term supply assignments, provided these occur within the same fiscal year.

Employees employed in a Long Term Supply Assignment which is less than the ordinary period of employment for the position shall have their sick leave and short term disability allocations pro-rated accordingly.

Where the length of the long term supply assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/short term disability leave to occur. If a change is made to the length of the assignment, an adjustment will be made to the allocation and applied retroactively.

e) Refresh Provision for Permanent Employees

Permanent Employees returning from LTD or workplace insurance leave to resume their regular working hours must complete eleven (11) consecutive working days at their regular working hours to receive a new allocation of sick/short-term disability leave. If the Employee has a recurrence of the same illness or injury, s/he is required to apply to reopen the previous LTD or WSIB claim, as applicable.

The Local union and Local school board agree to continue to cooperate in the implementation and administration of early intervention and safe return to work processes as a component of the Short Term Leave and Long Term Disability Plans.

In the event the Employee exhausts his/her sick/short-term disability leave allocation from the previous year and continues to work part-time, their salary will be reduced accordingly and a pro-rated sick/short-term allocation for the employee's working portion of the current year will be provided. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours. Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

For the purposes of d) and e) of this article, eleven (11) consecutive working days of employment shall not include a period of leave for a medical appointment, which is related to the illness/injury that had been the reason for the employee's previous absence, but days worked before and after such leave shall be considered consecutive. It shall be the employee's obligation to provide medical confirmation that the appointment was related to the illness/injury.

f) WSIB & LTD

An Employee who is receiving benefits under the Workplace Safety and Insurance Act, or under a LTD plan, is not entitled to benefits under a school board's sick leave and short term disability plan for the same condition unless the employee is on a graduated return to work program then WSIB/LTD remains the first payor.

For clarity, where an employee is receiving partial benefits under WSIB/LTD, they may be entitled to receive benefits under the sick leave plan, subject to the circumstances of the specific situation. During the interim period from the date of the injury/incident or illness to the date of the approval by the WSIB/LTD of the claim, the employee may access sick leave and short term leave and disability coverage. A reconciliation of sick leave deductions made and payments provided, will be undertaken by the school board once the WSIB/LTD has adjudicated and approved the claim. In the event that the WSIB/LTD does not approve the claim, the school board shall deal with the absence consistent with the terms of the sick leave and short term leave and disability plans.

g) Graduated Return to Work

Where an Employee is not receiving benefits from another source and is working less than his/her regular working hours in the course of a graduated return-to-work as the Employee recovers from an illness or injury, the Employee may use any unused sick/short-term disability allocation remaining, if any, for the portion of the day where the Employee is unable to work due to illness or injury. A partial sick/short-term leave day will be deducted for an absence of a partial day in the same proportion as the duration of the absence is to an employee's regular hours.

Where an employee returns on a graduated return to work from a WSIB/LTD claim, and is working less than his/her regular hours, WSIB and LTD will be used to top up the employee's wages, as approved and if applicable.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source;
- and is working less than his/her regular hours of work;
- and has sick leave days and/or short term disability days remaining from the previous year

The employee can access those remaining days to top up their wages proportional to the hours not worked.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source,
- and is working less than his/her regular hours of work,
- and has no sick leave days and/ or short term disability days remaining from the previous year

The employee will receive 11 days of sick leave paid at 100% of the new reduced working hours. When the employee's hours of work increase during the graduated return to work, the employee's sick leave will be adjusted in accordance with the new schedule. The Employee will also be allocated one hundred and twenty (120) short term disability days payable at ninety percent (90%) of regular salary proportional to the hours scheduled to work under the graduated return to work. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours.

h) Proof of Illness

A Board may request medical confirmation of illness or injury and any restrictions or limitations any Employee may have, confirming the dates of absence and the reason thereof (omitting a diagnosis). Medical confirmation is required to be provided by the Employee for absences of five (5) consecutive working days or longer. The medical confirmation may be required to be provided on a form prescribed by the Board.

Where an Employee does not provide medical confirmation as requested, or otherwise declines to participate and/or cooperate in the administration of the Sick Leave Benefit Plan, access to compensation may be suspended or denied. Before access to compensation is denied, discussion will occur between the Union and the school board. Compensation will not be denied for the sole reason that the medical practitioner refuses to provide the required medical information. A school Board may require an independent medical examination to be completed by a medical practitioner qualified in respect of the illness or injury of the Board's choice at the Board's expense.

In cases where the Employee's failure to cooperate is the result of a medical condition, the Board shall consider those extenuating circumstances in arriving at a decision.

i) Notification of Sick Leave Days

The Board shall notify employees and the Bargaining Unit, when they have exhausted their 11 days allocation of sick leave at 100% of-salary.

j) Pension Contributions While on Short Term Disability

Contributions for OMERS Plan Members:

When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OMERS contributions based on 100% of the employee/plan member's regular pay.

Contributions for OTPP Plan Members:

- i. When an employee/plan member is on short term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTPP contributions based on 100% of the employee/plan member's regular pay.
- ii. If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long Term Disability (LTD)/Long Term Income Protection (LTIP), pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short term sick leave provision and qualification for Long Term Disability (LTD)/Long Term Income Protection (LTIP) when employee contributions are waived. If an employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

k) Top-up Provisions

Employees accessing short term disability leave will have access to any unused sick leave days from their last fiscal year worked for the purpose of topping up wages to one hundred percent (100%) under the short term disability leave.

This top-up is calculated as follows:

Eleven (11) days less the number of sick leave days used in the most recent fiscal year worked.

Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.

In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days/Miscellaneous Personal Leave Days in the current year. These days can be used to top-up salary under the short term disability leave.

When employees use any part of a short term disability leave day they may access their top up bank to top up their salary to 100%.

Re: Status Quo Central Items Requiring Amendment and Incorporation

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. The following language must, however, be aligned with current local provisions in order to reflect the provisions of the applicable 2012-2013 MOUs. The following issues are not subject to local bargaining or amendment by the local parties. Any disputes arising from these provisions may form the subject of a central dispute.

PREGNANCY/PARENTAL LEAVES OF ABSENCE/SEB

The following pregnancy/parental/SEB proposal is intended to reflect the current practice and is not intended to improve or reduce benefits.

Common Central Provisions

Maternity Benefits/SEB Plan

- a) A full-time and part-time permanent employee who is eligible for pregnancy leave pursuant to the Employment Standards Act, shall receive 100% salary through a Supplemental Employment Benefit (SEB) plan for a total of eight (8) weeks immediately following the birth of her child with no deduction from sick leave or the Short Term Leave Disability Plan (STLDP).
- b) Full-time and part-time permanent employees not eligible for a SEB plan as a result of failing to qualify for Employment Insurance will be eligible to receive 100% of salary from the employer for a total of eight (8) weeks with no deduction from sick leave or STLDP.

Employees not defined above have no entitlement to the benefits outlined in this article.

Short Term Paid Leave Plans

The parties agree that the issue of short term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of 5 days per school year. For further clarity, those boards that had 5 or less shall remain at that level. Boards that had 5 or more days shall be capped at 5 days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

Provisions with regard to short term paid leaves shall not subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

WSIB TOP-UP

Where a class of employees was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties must incorporate those same provisions without deduction from sick leave. The top-up amount to a maximum of four (4) years and six (6) months shall be included in the 2014-17 collective agreement.

Employees who were receiving WSIB top-up on September 1, 2012 shall have the cap of four (4) years and six (6) months reduced by the length of time for which the employee received WSIB top-up prior to September 1, 2012.

RETIREMENT GRATUITIES

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix B - Retirement Gratuities.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. Employees are not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Employee had accumulated and was eligible to receive as of that day.

The following language applies only to those employees eligible for the gratuity above.”

SICK LEAVE TO BRIDGE LONG TERM DISABILITY WAITING PERIOD

Boards which have Long Term Disability waiting periods greater than 131 days shall ensure there is language that accords with the following entitlement:

An Employee who has applied for long-term disability is eligible for additional short term disability leave days up to the maximum difference between the long-term disability waiting period and 131 days. The additional days shall be payable at 90% and shall be used only to bridge the employee to the long-term disability waiting period if, under a collective agreement in effect on August 31, 2012, the employee was required to wait more than 131 days before being eligible for benefits under a long-term disability plan and the collective agreement did not allow the employee the option of reducing that waiting period.

RE: Scheduled Unpaid Leave Plan

The following Scheduled Unpaid Leave Plan (SULP) replaces the current Voluntary Leave of Absence program (VLAP) and is available to all permanent employees for the 2015-2016 and 2016-2017 school years. Employees approved for SULP days shall not be replaced.

For employees who work a 10-month year a school board will identify:

- 1) up to two (2) Professional Activity days in the 2015-2016 school year;
 - 2) two (2) Professional Activity days in the 2016-2017 school year;
- that will be made available for the purpose of the SULP.

For employees whose work year is greater than ten (10) months, a school board will designate days, subject to system and operational requirements, which will be available for the purpose of the SULP in each of the 2015-2016 and 2016-2017 school years. These employees will be eligible to apply for up to two (2) days leave in each of these years.

For the 2015-2016 school year, the available day(s) will be designated no later than thirty (30) days after central ratification. All interested employees will be required to apply, in writing, for the leave within ten (10) days of local ratification, or within ten (10) days from the date upon which the days are designated, whichever is later. For the 2016-2017 school year, the days will be designated by June 15, 2016. All interested employees will be required to apply, in writing, for leave for the 2016-2017 school year by no later than September 30, 2016. Approval of the SULP is subject to system and operational needs of the board and school. Approved leave days may not be cancelled or changed by the school board or the employee. Exceptions may be considered with mutual consent. Half day leaves may be approved, subject to the system and operational needs of the board and school.

For employees enrolled in the OMERS pension, the employer will deduct the employee and employer portion of pension premiums for the unpaid days and will remit same to OMERS. The following clause is subject to either Teacher Pension Plan amendment or legislation:

Within the purview of the Teachers' Pension Act (TPA), the Minister of Education will seek an agreement from the Ontario Teachers' Federation (OTF) to amend the Ontario Teachers' Pension Plan (OTPP) to allow for adjusting pension contributions to reflect the

Scheduled Unpaid Leave Plan (SULP) with the following principles:

- i) Contributions will be made by the employee/plan member on the unpaid portion of each unpaid day, unless directed otherwise in writing by the employee/plan member;
- ii) The government/employer will be obligated to match these contributions;
- iii) The exact plan amendments required to implement this change will be developed in collaboration with the OTPP and the co-sponsors of the OTPP (OTF and the Minister of Education); and
- iv) The plan amendments will respect any legislation that applies to registered pension plans, such as the Pension Benefits Act and Income Tax Act.

This Letter of Agreement expires on August 30, 2017.

Re: Long Term Disability (LTD) Plan Working Group

The parties acknowledge that increases in premiums for LTD plans are a significant issue.

The parties agree to review the issue of affordability of LTD plans for both boards and employees who pay LTD premiums (in whole or in part) in support of existing LTD plan arrangements.

A joint central committee of board staff and EWAO-ATEO members shall be established to review options related to sustainability and affordability of LTD plans. Options may include, but are not limited to:

- i) Exploring a common plan through a competitive tendering process
- ii) Exploring other delivery options through a competitive tendering process
- iii) Reviewing joint proposals from local boards and units to effect changes to plan design to reduce costs.

The central parties agree that local boards and units may discuss and mutually agree, outside of the context of collective bargaining, to make plan design changes with a view to reducing premiums.

Pending the outcome of the Long Term Disability (LTD) Plan Working Group or local agreements regarding plan design changes as contemplated herein, current LTD plans will remain status quo.

RE: Benefits

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the employee life and health trust contemplated by this Letter of Agreement (LOA), all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The EWAO-ATEO shall request inclusion into the AEFO Employee Life and Health Trust (ELHT), (hereinafter, the "Trust") within fifteen (15) days of central ratification. Should EWAO-ATEO fail to reach agreement, consistent with the parameters contained herein, by February 29, 2016, the parties to this LOA will meet to consider other options.

The parties to this LOA agree to comply with the Trust's requirements. If AEFO agrees to accept the request for inclusion, the provisions of the agreement between EWAO-ATEO and AEFO shall be reflected in the AEFO trust agreement.

The provisions contained herein shall be applicable to EWAO-ATEO within the Trust.

The Participation Date for EWAO-ATEO shall be no earlier than February 1, 2017 and no later than August 31, 2017 and may vary by Board.

1.0.0 GOVERNANCE

1.1.0 EWAO-ATEO shall be a separate division within the Trust and accounted for separately.

- 1.2.0 The parties confirm their intention to develop a governance structure that may include the following:
- a) the addition of a non-voting trustee to be appointed by the EWAO-ATEO to the AEFO board of Trustees or an alternative representation option available pursuant to the terms of the Trust
 - b) the creation of an EWAO-ATEO subcommittee of the Trust with the following responsibilities pertaining to the EWAO-ATEO division:
 - i) Plan design and amendments,
 - ii) Use of surpluses,
 - iii) Necessary actions or decisions required during a period in which the claims fluctuation reserve is less than 8.3% of annual expenses over a projected three year period,
 - iv) Any matter related to copay arrangements, and
 - v) Any other matters as appropriate.

The sub-committee decisions must comply with the requirements of the Trust and be approved by the Trust.

2.0.0 ELIGIBILITY and COVERAGE

- 2.1.0 The following EWAO-ATEO represented employees are eligible to receive benefits through the Trust:
- 2.1.1 Employees who are covered by the Local Collective Agreement and currently eligible for benefits in collective agreements.
 - 2.1.2 Retirees who were, and still are, members of a District School Board hereinafter referred to as the “Board(s)” benefit plan at August 31, 2013 based on the prior arrangements with the Board.
 - 2.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board Participation Date are segregated in their own experience pool, and the premiums are fully paid by the retirees.
 - 2.1.4 No individuals who retire after the Board Participation Date are eligible.
- 2.2.0 The benefit plan may provide coverage for health (including but not limited to vision and travel), life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and navigational support, subject to compliance with section 144.1 of the ITA. Other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.
- 2.3.0 Each Board shall provide to the Trustees of the Education Sector ELHT directly, or through its Insurance Carrier of Record, Human Resource Information System (HRIS) information noted in Appendix A within one (1) month of notification from the Trustees, in the format specified by the Trustees.

3.0.0 FUNDING

3.1.0 Start-Up Costs

- 3.1.1 The Government of Ontario will provide:
- a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve (“CFR”). The amount shall be paid to the Trust on or before September 1, 2016.
 - b. A one-time contribution of 2.6% of annual benefit costs (estimated to be approximately \$325,000), to cover start-up costs and/or reserves.
- 3.1.2 The one-time contributions in 3.1.1 (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier’s most recent yearly statement for the year ending no later than August 31, 2015. The statements are to be provided to the Ministry of Education.
- 3.1.3 The Crown shall pay \$160,000 of the startup costs referred to in s. 3.1.1 (b) on the date of ratification of the central agreement and shall pay a further \$160,000 subject to the maximum amount referred to in s. 3.1.1 (b) by June 1, 2016. The balance of the payments, if required under s. 3.1.1 (b), shall be paid by the Crown on the day the Trust becomes effective. The funds shall be transferred as instructed by EWAO-ATEO subject to the province’s transfer payment and accountability requirements.

3.2.0 On-Going Funding

- 3.2.1 On the day the Board commences participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee’s pro rata share based on the amount of the employee’s co-share payment of each benefit. The remaining portion of the Board’s surplus will be retained by the Board.
- 3.2.2 Where there are active grievances related to surpluses, deposits and/or reserves, the amount in dispute shall be internally restricted by the Board until the grievance is settled.
- 3.2.3 All Board reserves for Incurred But Not Reported (“IBNR”) claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.
- 3.2.4 Upon release of each Board’s IBNR and CFR by the carriers, the reserves will be retained by the applicable Board. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Board’s annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Board upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Board and the Trust based on the employers’ and employees’ premium share.
- 3.2.5 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
- a) If available, the paid premiums or contributions or claims costs of each group; or

- b) Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.

The methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.

- 3.2.6 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.
- 3.2.7 In order to ensure the fiscal sustainability of said benefit plans, the Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties' understanding that the Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.
- 3.2.8 The Trust shall retain rights to the data and the copy of the software systems.
- 3.2.9 For the current term, the Boards agree to contribute funds to support the Trust as follows:
 - a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.
 - b. By January 31, 2016 for Board-owned defined benefit plans, the Boards will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
 - i) "Total cost" means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting, auditing and advisory fees and all other costs and taxes, as reported on the insurance carrier's most recent yearly statement, and if any, premium costs on other district school area board, for the year ending no later than August 31, 2015. The aforementioned statements are to be provided to the Ministry of Education.
Total Cost excludes retiree costs.
The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with this clause.
 - ii) For purposes of i) above, the FTE positions will be those consistent with Appendix H of the Education Finance Information System (EFIS) for job classifications that are eligible for benefits.
 - c. All amounts determined in this Article 3 shall be subject to a due diligence review by EWAO-ATEO. The Boards shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by EWAO-ATEO. If any amount cannot be agreed between EWAO-ATEO and a Board, the parties to this agreement shall make every effort, in good faith, to resolve the issue using the data provided, supporting

information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, it shall be subject to the Central Dispute Resolution process.

- i) In order that each party be satisfied that the terms of this LoA provide a satisfactory basis to deliver benefits in the future, each party reserves the right to conduct a thorough due diligence with respect to existing benefit arrangements (including benefit terms, eligibility terms, FTE positions in the bargaining unit, historic costs and trends). Prior to May 1, 2016 if either EWAO-ATEO or the CTA concludes, in good faith, following its due diligence review, that the terms of the LoA do not provide a satisfactory basis for the provision of benefits, then either EWAO-ATEO or the CTA may declare this LoA to be null and void, in which case no Participation Dates for any Boards shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this LoA, shall remain in full force and effect.
 - ii) Prior to September 1, 2016, on any material matter, relating to Article 3.2.10, EWAO-ATEO or the CTA can deem this Letter of Understanding to be null and void. No Participation Dates for any Board shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this Letter of Understanding, shall remain in full force and effect.
- d. On the participation date, for defined benefit plans, the Boards will contribute to the Trust the amount determined in s. 3.2.9 (b) plus 4% for 2015-16 and 4% for 2016-17.
 - e. On the participation date, for defined contribution plans, the Boards will contribute to the Trust, the FTE amount indicated in the collective agreements for the fiscal year 2013-14, plus 4% for 2015-16 and 4% for 2016-17.
 - f. An amount of \$300 per FTE, in addition to 3.2.9 (d) and 3.2.9 (e) will be added to the base funding in 2016-17.
 - g. With respect to 3.2.9 (d) and 3.2.9 (e) above, the contributions provided by the Boards will include the employees' share of the benefit cost as specified by the Board's collective agreement until such time that the employees' share is adjusted as determined by the Trust and subject to the funding policy.
 - h. The terms and conditions of any existing Employee Assistance Program/Employee Family Assistance Program and Long Term Disability Plan shall remain the responsibility of the respective Board and not the Trust maintaining current employer and employee co-share where they exist.  - i. The FTE used to determine the Board's benefits contributions will be based on the average of the Board's FTE as of October 31st and March 31st of each year.

- j. Funding previously paid under 3.2.9 (b), (d), (e) and (f) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.
- k. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved between the Board and EWAO-ATEO.
- l. As of the day that a Board commences participation in the Trust, the Board will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 3.2.1 (b), (d), (e) and (f) to the Plan's Administrator on or before the last day of each month.
- m. The Trust will provide the necessary information needed by Boards to perform their administrative duties required to support the Trust in a timely and successful manner.
- n. The Boards shall deduct premiums as and when required by the Trustees of the Education Sector ELHT from each member's pay on account of the benefit plan(s) and remit them as and when required by the Trustees to the Trust Plan Administrator of the Education Sector ELHT with supporting documentation as required by the Trustees.
- o. Funding for retirees shall be provided based on the costs or premiums in 2014-15 associated with those retirees described in 2.1.2 and 2.1.3 plus 4% in 2015-16 and 4% in 2016-17. Employer and employee co-shares will remain status quo per local collective agreements in place as of August 31, 2014 or per existing benefit plan provisions.
- p. Some EWAO-ATEO members currently contribute to the payment of employee benefits at varying levels in accordance with local collective agreements, generally referred to as "Co-Pay". This amount is often expressed as a percentage of premiums. Should the Trust choose to reduce or eliminate the "Co-Pay", the Crown will provide funding equivalent to the reduction of the "Co-Pay" amount. The reduction to the percentage of premium, if any, will be converted to a per FTE amount based on the 2014-15 premiums. This election must be made by the last board's participation date.

(d) Seniority status shall be maintained upon any transfer within the bargaining unit.

15.03 Temporary Employees

(a) Temporary employees are those employees hired by the Board for short-term employment of up to one (1) school year.

- (b) Temporary employees accrue seniority and service credits from date of hire, but cannot exercise such seniority over a permanent employee.
- (c) Temporary employees whose term of employment exceeds three (3) consecutive school months are entitled to all employee benefits under the Employee Benefit Plans (Article 12.03).
- (d) Temporary employees who are appointed by the Board to a permanent position within the bargaining unit will have their probationary period decreased by the length of seniority already accumulated, and any such employee with greater than six (6) months seniority shall be considered to have completed probation. The seniority and service credits accrued, plus appropriate sick leave credits, will be credited to the employee upon appointment to a permanent position.
- (e) Temporary employees who work for the Board for more than two (2) consecutive school years where more than six (6) consecutive school months count as one school year shall, upon the commencement of the third school year be treated under this Collective Agreement as permanent employees, with seniority service, and sick leave credits as described in (d) above.
- (f) The parties to this Agreement may mutually agree to modify or extend the timelines set out in (e) above in special circumstances for a temporary employee who will be working for the Board for more than two (2) consecutive school years.

15.04

An employee shall lose seniority and employment shall terminate in the event the employee:

- i) is discharged for just cause and is not reinstated;
- ii) resigns;
- iii) is absent from work for five (5) working days or more without sufficient cause or without notifying the Employer, unless such notice was not reasonably possible;

- iv) fails to return to work to a job classification previously held within seven (7) calendar days following lay-off and after being notified by registered mail to do so unless through sickness or other just cause. It shall be the responsibility of the employee to keep the Employer informed of his/her current address;
- v) is laid off for a period longer than two (2) years. In the event that a bargaining unit member successfully applies for a position in an experimental program with which the Board is an affiliated sponsor, then such employee may retain seniority in the bargaining unit for a period of up to two (2) years.

- 15.05 Where it is necessary to reduce the number of staff within a job classification, such reduction(s) shall be made on the basis of the least senior employee in the classification. Employees so affected shall have the right to displace the least senior employee in any job classification for which the laid-off employee is qualified and has greater seniority or accept the layoff. Failure or inability to exercise this right of displacement shall result in the employee being laid off.
- 15.06 No employee with seniority shall be laid-off or remain on layoff while a probationary or temporary employee is employed at a job in that seniority employee's job classification or at a job which the seniority employee is qualified and willing to perform.
- 15.07 The Board will provide the Association with as much prior notice as is practical but not less than three (3) months notice of layoff and will meet with the Association to review the reasons for the layoff, the method of implementation, and the employee(s) to be laid off. Unless legislation is more favourable and where the duration of the lay-off is to exceed thirteen (13) consecutive weeks, the Board will provide three (3) months' notice of layoff, or pay in lieu of notice, to affected employees.
- 15.08 Where it is necessary to reduce the number of hours of employment within a job classification, the Employer shall first consider the layoff of individual employees within the job classification.

15.09 Employees shall be recalled in the order of seniority, provided that an employee who is recalled is qualified to perform the available work.

15.10 Permanent employees who are laid off will be retained on the seniority list for two (2) years from the date of layoff. During the two year period, the employee may be subject to recall to work. Employees on the recall list shall keep the Employer informed in writing, of any change of address and/or telephone number required by the Employer to contact them for possible assignment.

ARTICLE 16 JOB POSTINGS

16.01 When a vacancy of a continuous nature occurs in any classifications in the bargaining unit, the Employer shall post notice electronically (current platform - "Apply to Education") for seven (7) consecutive working days in order that all staff who are registered are aware of the position and are able to make electronic application thereof. The Association will be notified of the posting via the same electronic notification process used to make staff aware of new vacancies. In this article, a vacancy shall mean those of a continuing nature which may arise through retirement, resignation, termination or the establishment of a new position within the bargaining unit. Where the Employer decides not to fill a vacancy in the bargaining unit, the Employer agrees to notify the Association, in writing, of this decision with the reasons for the decision.

16.02 Staff wishing to apply to a vacancy must do so electronically (current platform - "Apply to Education") prior to the posting closing date and time, which will be noted on the electronic notice of posting.

16.03 Present employees who apply for a job posting shall be given consideration before a new employee is hired. In the event there are no bargaining unit members who hold the qualifications for the opening, the Board may consider internal and external applicants concurrently. In filling job vacancies, the Board will first consider the candidates' qualifications to meet the requirements of the position as outlined on the posting and then it will consider the following factors:

- i) seniority;
- ii) efficiency, skill and ability to do the normal requirements of the job(s);

and where all factors except seniority are relatively equal, then seniority shall be the deciding factor.

- 16.04 An employee who successfully applies for a posted position shall be placed on a trial period of thirty (30) working days. Should it be determined that the employee is not able to perform the work to the satisfaction of the Employer, or should the employee find he/she is not willing to perform, this employee may be returned to his/her previous position and rate of pay.
- 16.05 In the event that a job posting arises during the summer months the Employer may fill such a posting with a temporary employee and post the position at the beginning of the next school year. If the Employer decides to fill the vacancy permanently during the summer months, the Board shall notify electronically (Current Platform – Apply to Education), all employees in the Association concerned.
- 16.06 In the event the Board assumes programmes, previously funded by other sources with positions appropriate to the bargaining unit, the Employer will post any resultant vacant positions.
- 16.07 In the filling of temporary vacancies, the Employer where practical, shall give consideration to existing employees who have expressed an interest in working within that job classification.

ARTICLE 17 WORK YEAR AND HOURS OF WORK

- 17.01 The standard work week shall be thirty-five (35) hours per week, normally 8:30 a.m. to 4:30 p.m. Monday to Friday, including an unpaid lunch hour and two fifteen (15) minute rest periods each day. Where the appropriate Supervisory Officer or designate requires an employee to work beyond the normal working hours, the employee shall be entitled to receive compensation at one and a half times (1 ½ x) their hourly rate, either in time off or pay. Time off shall be taken at a time mutually arranged between the employee and the appropriate Supervisory Officer or designate.

The overtime worked and manner in which it will be paid out (i.e. time off or pay) shall be mutually agreed to by the employee and the appropriate Supervisory Officer or designate.

- 17.02 The work year shall be the School Year as established by the Ministry of Education and the District School Board of Niagara.
- 17.03 The Board does not guarantee the above hours of work or work year but before any permanent change is made, there will be prior notice to, and if so requested discussion with the Association.
- 17.04 An employee may request that the regular hours of work be changed from full-time to an arrangement of less than full-time by submitting a request to the appropriate Superintendent. In the event that the Employer approves the change in hours of work, the Employer will provide written confirmation of the change in hours of work to the employee, with a copy to the President of the Association. The reduction in hours of work shall be for no longer than one (1) year although the Superintendent has the discretion to renew the arrangement on a year-to-year basis, at the request of the employee and with notice to the President of the Association.
- In filling the remaining hours of the employee's schedule, consideration will first be given to employees in the same classification who work less than full-time hours, on the basis of seniority.
- 17.05 An employee covered by this Collective Agreement may, subject to available funding, voluntarily work up to two (2) weeks during the summer months. The Board will notify the Chapter President of any employee covered by this Collective Agreement who is working during the summer months, prior to the commencement of the voluntary assignment.

- 18.02 Code of Ethics
- Where an employee is required by the Employer or by legislation respecting elementary and secondary education to maintain membership in a professional association in order to carry out the duties assigned by the Employer, the Code of Ethics of the professional association shall form part of the employment contract

ARTICLE 21 PROFESSIONAL DEVELOPMENT

21.01 The Employer and the Association share a desire to improve professional standards by giving employees the opportunity to participate in relevant seminars, workshops, courses or similar programs to keep up-to-date with knowledge in their respective fields. Such programs are to be arranged in advance and with consultation and approval of the appropriate Supervisory Officer or designate.

- 21.04 An employee invited to participate in a conference or convention as a presenter shall, subject to consultation and approval of the appropriate Supervisory Officer or designate, be granted leave with pay for this purpose.
- 21.05 Where the Employer requires an employee to attend a conference, workshop, or seminar, the Employer will fully reimburse the employee for all related expenses.

ARTICLE 22 CREDIT FOR PAST EXPERIENCE

- 22.02 An "acceptable year of professional experience" shall be defined as one (1) year of relevant full-time employment, or the amount of time equivalent to one (1) year of full-time employment but accumulated through part-time employment.
- 22.03 "Relevant employment" is defined as employment with a recognized professional agency or organization acceptable to the Board.
- 22.04 Under no circumstances may recognition of any past professional experience result in the salary for an employee exceeding the salary level maximum in the salary schedule.
- 22.05 It shall be the responsibility of the employee to produce evidence of such professional experience at the time of hiring.

22.06 DEGREE ALLOWANCE

Employees shall be entitled to a onetime payment of \$1,750 for a Doctorate degree from a recognized university. The employee shall qualify for only one Doctorate of Philosophy degree and this allowance shall be paid out once the employee has submitted proof of successful completion of the degree to the Board.
